

## 2024 POLARIS® RZR™ REAR WINDSHIELD

### Installation Instructions

1. **From rear of RZR™, install rear windshield to be aligned with roll cage and tuck behind seats.**
2. **Rear windshield will mount to rear roll cage by wrapping the straps around the top and sides of the cover around the roll bars.**
3. **Plastic strip at bottom of cover inserts between bed and rear box header.**

**\*\*Your new rear windshield is made of highest quality clear plastic. It will however scratch, if not handled correctly**

**\*\*Use mild soap and water only to clean all surfaces**

**Your new cover is guaranteed against any defects in material and workmanship for 1 year from the date of purchase. Should any problems arise, please contact your dealer. No warranty card is necessary.**

**Your UTV has several warning and caution labels around the machine that may be covered when this cover is installed. It is your responsibility as the UTV owner to read and understand these warnings as well as making sure anyone who operates the UTV is aware of the proper operation.**
