1. Identify all components and hardware using the exploded view and legend above.

2. Assemble the frame first - each panel will only install one way, then install the 3 supports.

3. Nylock nuts are supplied to keep the hardware from coming loose over time. (Thread locker is not required. Be sure to use washers where needed to ensure that the finish is not damaged when tightening.

Note: Do not over-tighten hardware. It only needs to be snug.

4. Install the Assault logo plate and snug the hardware.

Note: The Small Flange Bushing Has a Machined Marking Around It For easier Identification.

1. Identify all components and hardware using the exploded view and legend above.
2. You may need a helping hand if you cannot reach to tighten from the top/bottom.
3. Place the washers and screws into holes in the lower supports.
4. When installing the lower bushings and nylock nuts be sure to identify the two bushings with markings (a machined line) around the bushing. Those bushings will be used on the center support as they are slightly different

Note: The recon rack mounts to the bed and uses existing holes in the body to bolt in. Nylock nuts are supplied. No need to tighten excessively. Just tighten until snug until there is no movement.

MAKE SURE THAT ALL BOLTS AND NUTS ARE TORQUED TO FACTORY SPECIFICATIONS AND ARE SECURE. PLEASE CONTACT ASSAULT INDUSTRIES FOR QUESTIONS REGARDING SPECIFICATIONS OR ANY OTHER QUESTIONS YOU MAY HAVE. THANKS!

Liability Statement

Assault Industries® products are designed to best fit user's ATV/UTV under stock conditions. Adding, modifying, or fabricating any factory or aftermarket parts will void any warranty provided by Assault Industries® and is not recommended. Assault Industries® products could interfere with other aftermarket accessories. If user has aftermarket products on machine, contact Assault Industries® to verify that they will work together.

Although Assault Industries® has thousands of satisfied customers, user should be aware that installing lift kits, long travel, or suspension kits, tires, etc. will change the ride of machine and may increase maintenance and part wear. Operating any off-road machine while, or after, consuming alcohol and/or drugs increases risk of bodily harm or death. No warranty or representation is made as to this product's ability to protect user from severe injury or death. Assault Industries® urges operators and occupants to wear a helmet and appropriate riding gear at all times.

By purchasing and installing Assault Industries® products, user agrees that should damages occur, Assault Industries® will not be held responsible for loss of time, use, labor fees, replacement parts, or freight charges. Assault Industries®, nor any 3rd party, will not be held responsible for any direct, indirect, incidental, special, or consequential damages that result from any product purchased from Assault Industries®. The total liability of seller to user for all damages, losses, and causes of action, if any, shall not exceed the total purchase price paid for the product that gave rise to the claim.

Assault Industries® will warranty only parts provided by Assault Industries®. Any damage or problems with OEM housings, bearings, seals, or other manufacturers' products will not be covered by Assault Industries®. Assault Industries® parts and products are not warranted if item was not installed properly, misused, or modified.

Installing, adding, modifying, or fabricating any factory or aftermarket product to your ATV/UTV may violate certain local, state, and federal laws. Be advised that laws vary depending on town, city, county, state, etc. Use of certain products on public streets, roads, or highways may be in violation law. The Buyer is solely and exclusively legally and personally responsible for any violation of the law by the installation or use of the product. You must abide by all local, state, and federal laws, including but not limited to vehicle safety, traffic laws, and ordinances. It is your responsibility to know the laws and how they apply to you.

The Buyer is responsible to fully understand the capability and limitations of his/her vehicle according to manufacturer specifications, warnings and instructions and agrees to hold Assault Industries® harmless from any damage resulting from failure to adhere to such specifications, warnings and/or instructions. The Buyer is also responsible to obey all applicable federal, state, and local laws and ordinances when operating his/her vehicle while using this product, and the Buyer agrees to hold Assault Industries® harmless from any violation thereof.
