

INSTALLATION INSTRUCTIONS

FSP-Y-RMAX4: Full Skid Plate Kit

- 1 Please look through and read these instructions BEFORE starting so you understand what processes you'll be doing, and possible extra tools you may need.
- 2 Do Not discard product packaging until installation is complete and functioning properly.

Skid Plates

Splash Guards

M6x20 Button FT Flanged (4pcs)

M6x20 Hex Flanged (55pcs)

8x36mm Bowl Washer (51pcs)

M6 Clip Nuts (53pcs)

1. The first thing you need to do is **Install The Clip Nuts** in your kit into the **Factory Slots** cut out on the undercarriage of the vehicle. There is **NO Drilling** by using these clips. **Fig.1a** shows how they slip into the slots with the **“Nut” Part** of the clip on the **Inside** of the undercarriage, and the **Flat Side** of the clip on the **Outside**. **Fig.1b** shows the locations you will be installing the Clip Nuts into. You may need to put each plate up in place to align the clip nuts with the holes in the plates to position the clips before you start installing the Bowl Washers and Screws.

Fig.1a

Fig.1b

2. Then, before you install the plates, you need to **Remove the Two (2) Screws** from the front fender wells on **each side** as shown in **Fig.2a-b**. This is where you will install the Splash Guards after the plates have been installed, later in these instructions. See **Fig.2a-b**.

Fig.2a

Fig.2b

3. After the screws are removed, now you can **Install** the Skid Plate Panels onto the machine. You will install them using the **Bowl Washers** and **M6x20 Hex Flanged Bolts** provided in your kit. They will go thru the plate and thread into the **Clip Nut** you installed previously. See **Fig.3a**. Then start with the small rear plate first and work your way towards the front. We will show you the order in which we installed them. So just follow the pictures installing them and tightening them down secure as you go.

Fig.3b

Fig.3c

Fig.3d

4. Then Install the **Rear Middle Skid Plate**, and then the **Front Middle Plate** as shown in Fig.4a-b.

Fig.4a

Fig.4b

5. Then the **Upper Rear and Lower Rear Skid Plate Panels** as shown in Fig.5a-b.

Fig.5a

Fig.5b

6. Then the **Lower Front and Upper Front Skid Plate Panels** as shown in Fig.6a-b.

Fig.6a

Fig.6b

7. Now all the Skid Plates are installed, you can now **Install the Splash Guards**, one behind each wheel as shown in **Fig.7**.

Install Splash Guards Here

Fig.7

8. Now **Install the Splash Guards** using the **M6x20 Button FT Flanged Screws** Provided in your kit. See **Fig.8a-c**.

Liability Statement

SuperATV's® products are designed to best fit user's ATV/UTV under stock conditions. Adding, modifying, or fabricating any factory or aftermarket parts will void any warranty provided by SuperATV® and is not recommended. SuperATV's® products could interfere with other aftermarket accessories. If user has aftermarket products on machine, contact SuperATV® to verify that they will work together.

Although SuperATV® has thousands of satisfied customers, user should be aware that installing lift kits, long travel, or suspension kits, tires, etc. will change the ride of machine and may increase maintenance and part wear. Operating any off-road machine while, or after, consuming alcohol and/or drugs increases risk of bodily harm or death. No warranty or representation is made as to this product's ability to protect user from severe injury or death. SuperATV® urges operators and occupants to wear a helmet and appropriate riding gear at all times.

By purchasing and installing SuperATV® products, user agrees that should damages occur, SuperATV® will not be held responsible for loss of time, use, labor fees, replacement parts, or freight charges. SuperATV®, nor any 3rd party, will not be held responsible for any direct, indirect, incidental, special, or consequential damages that result from any product purchased from SuperATV®. The total liability of seller to user for all damages, losses, and causes of action, if any, shall not exceed the total purchase price paid for the product that gave rise to the claim.

SuperATV® will warranty only parts provided by SuperATV®. Any damage or problems with OEM housings, bearings, seals, or other manufacturers' products will not be covered by SuperATV®. SuperATV® parts and products are not warrantied if item was not installed properly, misused, or modified.

Installing, adding, modifying, or fabricating any factory or aftermarket product to your ATV/UTV may violate certain local, state, and federal laws. Be advised that laws vary depending on town, city, county, state, etc. Use of certain products on public streets, roads, or highways may be in violation law. The Buyer is solely and exclusively legally and personally responsible for any violation of the law by the installation or use of the product. You must abide by all local, state, and federal laws, including but not limited to vehicle safety, traffic laws, and ordinances. It is your responsibility to know the laws and how they apply to you.

The Buyer is responsible to fully understand the capability and limitations of his/her vehicle according to manufacturer specifications, warnings and instructions and agrees to hold SuperATV® harmless from any damage resulting from failure to adhere to such specifications, warnings and/ or instructions. The Buyer is also responsible to obey all applicable federal, state, and local laws and ordinances when operating his/her vehicle while using this product, and the Buyer agrees to hold SuperATV® harmless from any violation thereof.

If you have any problems/questions on this kit, contact us by email at superatv.com.
