

YAMAHA® YXZ1000R™ SEAT COVERS

Installation Instructions

1. **Install seat backrest by pulling cover from top down and under lip at bottom of seat back.**
2. **Pull cover around the sides of the seat smoothing the cover over the seat letting the elastic pull the seat cover into position.**
3. **Remove seat bottom from machine.**
4. **Stretch seat cover around seat from front to rear allowing elastic to pull seat cover tight and smooth around OEM seat.**
5. **Make sure seat cover is not interfering with seat cover latch.**
6. **Repeat for other seat.**

Your new cover is guaranteed against any defects in material and workmanship for 1 year from the date of purchase. Should any problems arise, please contact your dealer. No warranty card is necessary.

Your UTV has several warning and caution labels around the machine that may be covered when this cover is installed. It is your responsibility as the UTV owner to read and understand these warnings as well as making sure anyone who operates the UTV is aware of the proper operation.
