

Spare Tire Rack, Polaris RZR® S 1000 Instructions

 hmfracing.com/equipment/polaris-rzr-s-1000/spare-tire-rack-polaris-rzr-s-1000/installation

Installation

1. Using the supplied **Lug Nuts**, mount your **Spare Wheel and Tire** onto the **Spare Tire Holder**.
2. Determine the **Spare Tire Rack** orientation in the cargo area.
3. Loosely mount the **1-3/4" Tube Clamp** onto the harness bar.
4. Tighten the **(4) Allen Bolts** in a criss cross pattern.

5. Place the white IQ Sticker on the **Spare Tire Rack**.

Discussion
